

Exercise#2 (5%)

Due Date: February 8, 2022 at 11:59 PM EST

Read the document in the link below:

<https://www.nytimes.com/2020/06/24/technology/facial-recognition-arrest.html>

Write a minimum two pager document on your thoughts about this article. Your report should include but not limited to the following:

1. What is the specific AI technology mentioned in the article? (i.e facial recognition)
2. Elaborately discuss on that specific technology.
3. Give some examples of where this technology is currently used.
4. Name some companies delivering this specific AI technology.
5. What went wrong with the technology as discussed in the given article.
6. Give other examples when this technology failed.
7. Should research on this technology be conducted or should the technology be abandoned as a whole?
8. What are the ethical concerns related to this specific AI technology?

You should include your personal thoughts and not copy paste directly from the article. This article is only to provide a reference. You should refer to other articles related to facial recognition and also provide a reference page. The reference page will not be counted in the page number count.

Research! ...
